mountain chill
WATER CHILLER

Safety Valve-Leak Detector

MT6LD

- Automatically shuts off once water is detected
- Audio alarm when leak occurs
- Operates on 9V battery
- Quick connect 1/4" adaptor included for easy installations
- Use with Mountain Plumbing Little Gourmet hot tank and/or Mountain Pure filtration unit

Point-of-Use Water Filtration

Connects to your accessory faucet and other high performance water appliances to deliver fresh, purely filtered water to your home.

Mountain Pure®
Point-of-Use Carbon Filtration System

MT1250XL

- 1,250 gallon capacity - lasts 1 year based on average usage
- Removes 99.9% of particles over 0.5 microns
- Removes harmful household lead from your water
- Anti-microbial agent reduces bacteria
- Operates without wasting water like reverse osmosis filters

Full Flow Water Filtration

Connects directly to your kitchen faucet to deliver the delicious taste of Mountain Pure® filtered water.

Mountain Pure®
3,000 Gallon Full Flow Filter System

MT3K-HF

- 3,000 gallon capacity
- No additional faucet required
- Built-in shut-off valve makes filter changes easier
- Retains vital minerals in water to ensure health and delicious taste of your water

Mountain Pure®
6,000 Gallon Full Flow Filter System

MT6K-HF

- 6,000 gallon capacity
- No additional faucet required
- Built-in shut-off valve makes filter changes easier
- Retains vital minerals in water to ensure health and delicious taste of your water
