### FINISH CARE & MAINTENANCE
- Never use any harsh alkaline, acid-based detergents or cleaners such as Soft Scrub®, Scrubbing Bubbles® or Comet® to clean. Do not use Brillo® and Scotch Brite® pads. These will all harm the finish. To clean, use only a damp soft cloth and wipe using a soft cloth. Standard Windex® can also be used sparingly. It is not necessary to wipe hard to remove spots. To maintain the finish, wipe with a soft dry cloth after use. An occasional coat of Pure Carnauba Wax without cleaners will help protect the finish.
